Thanks for the heads up, Darrell! [mailto:[Ex. 6 Personal Privacy \(PP\)](#)] We'll be in touch before then to see if there are any outstanding concerns from EPA's perspective (most likely, specific to the "Additional Revisions" spreadsheet).

Excellent!

Thanks so much, Darrell. This now completes the Steering Committee representative's sign-off for all chapters EPA submitted final agency comments on. Thank you for being so diligent and meeting every deadline we put forward.

Please note two things:

Darrell,

I'm pleased to transmit the final tranche of comment responses (.xlsx) and chapter revisions (.docx files) for the three remaining chapters we are now ready for you to provide your clearance on in your capacity as EPA's Federal Steering Committee representative.

The remaining chapters requiring EPA sign-off are:

Ex. 5 Deliberative Process (DP)

We understand you were on leave all last week and, therefore, might have a backlog of work to address upon your return, but it'd be great if we were able to get clearance on these final three chapters **by COB Wednesday, August 8**. Should more time be needed, please let Chris (cc'd) and me know.

Many thanks!

Dave
